FRASER

STAR OF THE SEA

NOT AVAILABLE FOR SALE OR CHARTER TO U.S RESIDENTS WHILE IN U.S. WATERS

THE EXPERT'S VIEW

"STAR OF THE SEA shines brightly with many rare & outstanding features in a sub -120' platform. Built entirely in Viareggio by Benetti in steel & aluminum, this boat exemplifies strength and design that was decades ahead of its time. Onboard this amazing charter platform you will find six generous ensuite cabins, a sky lounge, and hot tub. Her original luxurious Italian crafted interior takes you back to the golden age of yachting. Coming off a \$1m+ shipyard period in 2024 that included plate work, all new thru hull valves, bow thruster replacement, and fresh carpeting. After 20 years of ownership, the current owner is ready to pass the baton to the next lucky owner of STAR
