85' Ocean Alexander

LIVE MAS

LIVE MAS is a 2017 85' Ocean Alexander that has been meticulously maintained. With a full refit in 2023 and a well-refined design that has proven to be a very popular model, LIVE MAS is now on the market and ready for her next owner. LIVE MAS offers a full-beam Owner's stateroom, large VIP stateroom and two spacious guest cabins, all with ensuite facilities. She also has a spacious flybridge deck with an electric BBQ. Powered by two MTU engines with 1,920 horsepower, LIVE MAS is ready to take you on your next adventure.

The exterior offers a main deck with a U-shaped settee accompanied by additional seating and a large teak table. The aft deck is well-appointed with a wet bar equipped with refrigerator drawers. Access to the swim-platform is provided via two sets of stairs on either side. The swim-platform is expansive, offering ample space for water toys and access to a tender. Upon entering the flybridge on the starboard side there is a large sun pad. She has a large U-shaped settee with a teak table and additional seating is situated. To port, a large granite wet bar with a refrigerator and icemaker is present, accompanied by five comfortable bar stools. Further aft to port, a full-size Bar-B-Q is located.

When entering the interior, the main salon features an L-shaped settee with a coffee table to starboard and two comfortable chairs with a table to port. Further forward, a magnificent dining table with eight chairs awaits. A Quartz countertop with storage is situated between the main salon and dining table. Additionally, a Quartz-topped buffet is located to port. LIVE MAS offers a full-beam Owner's stateroom, a larger VIP stateroom, two guest staterooms, and a laundry facility. LIVE MAS is also equipped with a generously sized crew area featuring two cabins and a head and shower.
