ASKING PRICE: 4,985,000 €

SEAQUELL

ABOUT

SEAQUELL is an excellent example of the proven Dubois Design/Alloy constructed platform. The reverse transom, twin helm stations with a generous cockpit leading into a 360 degree skylounge is a distinctive feature of SEAQUELL. Indicative of this design is the ability to cover miles and SEAQUELL has covered many in the true fashion of a global traveler. The salon offers a 360 degree view of the horizon with comfortable seating for guests as well as the interior steering station and navigation center, well-suited for passage making.

Forward of the helm station and below is the main salon. Whether one wishes to host formal dining or simply relax, this light and well-appointed area has been renewed by the present owner. Leading aft from the salon are port and starboard guest cabins. The port cabin has a queen berth and starboard has twin berths which can also be converted to one king size bed. Granite floors and counter surfaces have been renewed as of 2013. All interior rooms are unusually spacious!

The master stateroom is aft with a full beam area to relax. A steam shower is available aside from the normal bath amenities. Forward and port side of the master is a bonus room/nanny cabin. This room can serve many different functions including a Pullman berth for sleeping, a gymnasium or simply a storage area for luggage.

The port/starboard stairways leading up the transom are an early Dubois/Alloy trademark and make for easy access on to the spacious aft deck. Spacious lockers are accessed back here on either side of the deck level Jacuzzi.

The twin steering station wheel and controls allow for excellent visibility while under sail as well as when docking the boat in close quarters. Forward of the helm station is a very comfortable center cockpit which provides an excellent venue for outside dining or a wonderful area for guests to observe the sailing action underway. Immediately forward and above, is an ideal sunning area/observation port providing an elevated view of the horizon.

KEY FEATURES

- Proven Global Traveler
- Commercial grade galley
- Famous Dubois skylounge
- 25' full beam master stateroom
- Elegant design and spacious exterior areas

SEAQUELL

EQUIPMENT

Sails

- Storm jib
- Battened mainsail
- Furling mainsail - In boom
- Gennaker/Cruising Spinnaker
- Genoa
- Furling Genoa

Electrical Equipment

- Shore power inlet, (2) Transformers, 380V 3 phase to 120V single phase
- Shore power, 40 kW ANG shore power converter (New 2023)
- Inverter, (3) Units

Inside Equipment/Appliances

- Smart TVs connected to wifi (All guest TVs)
- Dishwasher, Whirlpool
- Washing machine, GE
- Dryer, GE
- (2) Wall ovens, GE
- Stove, Kenmore
- Microwave, Rival
- (1) Refrigerator, Sub Zero
- (2) Bar fridges
- Ice maker, U-Line
- Fresh water maker Dolphin Series Model D12263S 1200 GPD
- (1) Deep freezer, Sub Zero
- (1) Built-in floor freezer
- Air compressor
- (5) Marine head, Raritan Alantes (New 2023)
- Air conditioning, Dometic Marine Air systems- 12 air handlers
- Hot water, (4) Quick Boilers 40 L

Outside Equipment/Extras

- Teak cockpit
- Cockpit shower
- Teak side decks
- Gangway
- Cockpit cushions
- Cockpit table
- Swimming ladder
- Bimini top cover

Electronics/Navigational Equipment

- Depthsounder, Airmar
- Radar, Furuno x-band and Navnet S-Band DRS
- Log-speedometer, Airmar
- Interphase forward looking sonar
- Wind speed and direction, B&G H3000
- Computer
- Canon Pixar printer
- Repeater(s)
- Navigation center
- Plotter, Nobeltec
- Electronic chart system Nobeltrec Triton and Navigator Navnet
- Autopilot, Simrad AP50
- (2) VHF Garmin 215i
- Radio
- Fluxgate magnetic compass
- KVH Gyro compass
- GPS, Garmin 720, Furuno GP33
- Instrumentation system
- Cockpit speakers
- Bose surround sound (main salon)
- Fusion MP3 player (aft deck and coach roof)

SEAQUELL

EQUIPMENT

Deck equipment

- (2) Mason anchors, 100 m chain each
- Hydraulic tender crane, 1000 kg max load
- (2) Windlass
- Passarelle- Marquipt side boarding ladder with extension, stern folding gangplank, halyard assisted
- Detachable stern swim ladder
- Awning cover over seating arrangement on coach roof
- Stern capstan, single Lewmar 1100 winch

Safety & Security

- (2) 10-person liferafts
- (1) EPIRB
- (10) Inflatable life jackets
- (4) Foam life jackets
- (19) Fire extinguishers throughout, FM200 in engine room, (1) BA kit
- Mimic alarm panel
- Bilge and fire pumps, Gianneschi 5 kW AC and 3.5 kW DC
- Searchlight
- Ship safe

Steering & Propulsion

- Uflex steering pump 208V, Uflex steering pump 24V backup
- Single crew, right-handed variable pitch propeller
- Gearbox ZF BW160

Electrical System

- Voltage 110V/230V
- Frequency 60 Hz
- Lifeline GPL-4DI AGM batteries 12V, 210AH

Auxiliary Equipment

- Bow thruster, Ricard 25 hp
- Stern thruster, Ricard 15 hp
- (4) Racor filter units model 1000MA
- Waste water treatment, Edson Diaphragm pumps
- Electric bilge pump

Tankage (Approx)

- Fuel: 5,150 gallons/19,500 liters
- Lubrication oil: 123 gallons/500 liters
- Dirty lube oil: 123 gallons/500 liters
- Freshwater: 1,453 gallons/5,500 liters
- Grey water: 265 gallons/1,000 liters
- Black water: 265 gallons/1,000 liters

Communication & Satellite Equipment

- Marine Starlink
- GSM VOIP only
- (2) Icom IC-M23 VHF hand-held radio
- (2) Emergency VHF SR850

Peplink router- networks Starlink, 5G and marina wifi; distributes vessel's wifi through (3) new Peplink access points

Tender & Toys

- 15' Highfield with 90 hp Evinrude
- (2) Sea kayaks
- Snorkling gear
- (2) Wakeboards
- Water skis
- (2) Inflatable paddleboards
