

73' Snowbird 2005 *True Love*

Price: \$749,000.00 | Location: Deltaville, VA

Snowbird 73 - Talk Through Tour

<https://www.youtube.com/watch?v=Ih3UWpcSaCk>

INTRODUCTION:

True Love is a performance semi-displacement trawler motor yacht that will appeal to discriminating buyers who may also be considering comparable quality series-built brands such as Fleming, Marlow, Offshore, Hampton, Ocean Alexander, and Outer Reef.

The original owners commissioned renowned naval architect, Gregory Marshall, to work out the profile and layout that they wanted. With designs completed, they interviewed several builders in Canada (their home country) before selecting Park Isle Marine in British Columbia for construction. Created out of aluminum alloy, she is an outstanding island hopper and coastal cruiser. Offered for sale by her second owners, **True Love** represents a unique opportunity for an experienced cruiser who can appreciate the outstanding value she represents. It may seem difficult to establish value for a one-of-a-kind original, but one factual measure is the price she cost to build new, which was over six million dollars in 2005!

Hours reported in October 2024 are:

Port main = 3,220
 Starboard main = 3,218
 30 kW Generator = 3,874
 12 kW Generator = 6,026

Improvements and upgrades completed in 2023 and 2024 include:

- Replace HVAC / chiller system x 2
 CTM Model CW-60HS, 60,000 btu
- New Miele clothes washer WXD160 WCS USA
- New Miele clothes dryer TXD160WP USA
- New air handler in aft cabin
- New refrigerator in galley - U-Line 24" 2000 series stainless steel
- New refrigerator on aft deck U-2074RB-00
- Replaced mirror ceiling in owner head
- Hot water tank thermostat replaced, many Pex fittings replaced with Shark Bite
- Note: Fireboy system (decommissioned 2024)
- Note: Viking 6 UKLS – 6-man life raft (expired)
- Note: Exercise equipment shown in photos and video are not included in this sale

True Love is best summarized in one word “innovative”. She boasts a collection of best-in-class features and equipment. Additional information is available at www.snowbird73.com

SPECIFICATIONS:	
YACHT NAME:	TRUE LOVE
BRAND AND MODEL:	Snowbird 73
TYPE:	Custom aluminum coastal trawler yacht with flybridge
