Specification notes

Engine and generator hours are from Captain Blake Sellers' May 2025 report and are not current October 2026 readings. Performance and range are approximate. Current machinery hours, equipment models and inventory should be confirmed before publication. Tender and toys are included as confirmed by the owner representative. Additional storage inventory is reproduced from the supplied lists; duplicate items are not represented as extra quantities. Exact navigation electronics, 2025 galley replacement models, and the extra tow-bridle diameter remain unspecified or require confirmation.
